About Youth Music

We're the UK's leading young people's music charity. We believe that every young person should have a chance to change their life through music. Yet our research shows that many can't because of who they are, where they're from or what they're going through.

Through our insights, influence, and investment in grassroots organisations, we make sure more young people aged 0-25 can make, learn and earn in music nationwide.

Youth Music is a national charity funded thanks to the National Lottery via Arts Council England, players of People's Postcode Lottery and support from partners, fundraisers, and donors. Find out more about our work on the [Youth Music Website](#) and read more about our funding programmes on the [Youth Music Network](#).
