

Dear participant (that's you!),

It will help us so much if you can answer these questions. We want to know how you felt about working on this project.

We are asking these questions so we can make things even better for everyone.

You don't need to use your name and your answers will stay safely with the project team.

This is what the emojis mean:

				
No! I really don't agree.	I don't agree.	I am in the middle.	I agree.	Yes! I really do agree.

1. I enjoy creating something new.

2. I feel confident about working with others.

3. I feel free to share my thoughts and ideas.

Thank you so much for your help!
